

Zero Tolerance – Code of Conduct

The mission of Global Hockey is to provide a competitive hockey program utilizing a highly experienced, paid coaching staff. We strive to foster advanced hockey skills, strong work ethics, creativity, confidence, and good sportsmanship in a safe, fun environment where potential can become reality. In order to provide a “safe and fun environment” for the skaters, we require all players, parents, and coaches to conduct themselves in an appropriate manner at all times.

As a player or parent I pledge to:

- Exhibit exemplary behavior at all games, practices, and skills
- Always be in control of my emotions
- Always be respectful to coaches, officials, and the opposing team
- Not make disparaging remarks of any type with regard to the coaches, officials or the opposing team
- Not publicly criticize or demean the coaches, officials, teammates, or the opposing team

I have read and willingly accept these rules. I agree to abide by the principles and regulations of the Mass. Sports Club/Mark Bavis Arena. I understand that if I do not abide by these rules, I can be banned from playing or watching any event inside the facility.
